Elderly Woman Seriously Injured in Home Invasion Robbery

Riverside, CA – At about 11:30 this morning, a 9-1-1 call from a residence in the 4200 block of Eileen reported that one or more suspects had just broken into the home, assaulted an 86-year-old woman, and then ransacked the residence looking for valuables to steal. The woman was knocked unconscious and seriously injured. It is unknown how many suspects were inside the residence.

While the residence was being ransacked, a relative arrived and interrupted the suspect(s), who fled out a rear door. Patrol officers responded and conducted an extensive search for the suspect(s) in the surrounding neighborhood. No arrests have been made. The victim was transported to a local hospital for treatment. She remains hospitalized in serious condition.

Detectives from the Robbery/Homicide Unit and technicians from the Forensic Unit responded and are currently investigating this crime.

The Riverside Police Department is urging anyone with information on these suspect(s) to contact Detective Mike Medici at (951) 353-7104.
